Even though we offer a low tuition rate, payment plans are still available! A tuition payment plan is an option that breaks down the large lump-sum payment due at the beginning of each semester into smaller installments. You now have more time to pay, and your payments are more manageable. For more information visit [highlandcc.edu/payment-plans](https://highlandcc.edu/payment-plans).

# LIVING ON CAMPUS

Living on campus can be one of the most memorable aspects of college! Life on campus is vibrant! Living on campus provides you opportunities to socialize, meet new people, get involved with a variety of activities, form life-long friendships and learn about other cultures.

Students who live on campus are also more likely to complete their college education. Full-time students may choose from two, three, or four-bedroom apartments in one of 20 residential facilities. Students who live on campus will join a community of nearly 400 students.

Campus housing comes furnished and provides students with several important amenities:

- Apartment-style housing
- Wi-Fi & utilities \*included in room and board rates
- Fully furnished
- 17 meals/week per semester
- Free laundry facilities \*on campus only
