Student Athletic Trainer's Code of Conduct

I, _____, understand that while working as a student that I must follow and abide all rules given and signed in contract. I understand that I must work on the following:

- I understand that I must respect the Athletic Training staff, Athletic Training students, administrators, coaches, and student athletes. If I have a problem with someone, I will contact the Athletic Training staff immediately.
- I understand that while under observation that I must ask for permission to do Athletic Training activities on a student athlete.
- I must show up on time to help get ready for practices and games and do my part in the setting up process.
- I will do my part in the cleaning and picking up after practice and/or games.
- I must not leave until advised to.
- I must abide by HIPAA rules and not discuss injuries with ANYONE outside of the Athletic Training room.
- I must be respectful to everyone I work with and work in a professional matter not only in the Athletic Training room but also around campus to promote and help with respect for the program.
- I must remember if I want to be successful in the Athletic Training field, I must give my best effort every day and want to learn.
- There must be no talk of illegal substances and use while in the Athletic Training room.
- I must never show up under the influence of any kind of illegal substances or alcohol.
- I will do what is asked of me the first time without any complaints.
- I will learn to keep myself busy during off times and stay off my phone.
- I will keep a good attitude at all times during athletic events and in the Athletic Training room while being a student athletic trainer.

If I continue to not follow these rules after one warning, I will have disciplinary actions that can include revoking work position and suspension from Athletic Training program.
