

Highland Community College Campus Safety & Compliance Management Responsibilities

Team	Mission	Goals	Chair Person	Members	Focus of Care	Publications/Policies/ Training
Crisis	Facilitate crisis prevention and intervention services to members of the College community. Through constant communication, members of the team are able to identify and assess potential harm, and develop and implement intervention plans before a situation escalates. During the aftermath of an event on HCC premises, team members intervene by providing security, individual and group student support counseling, referrals to county agencies, and recommendations to College officers. (Part of Clery-DOE Compliance)	<ul style="list-style-type: none"> -Increase awareness within the HCC community on how to identify and communicate potential harm. -Educate the HCC community on assisting with health and safety on campus. -Establish standard operating procedures for behavioral crisis on campus that is inclusive of identification, communication intervention (i.e. counseling, referral), and follow up.
