General Education Program

34 Credit Hours

In alignment with the Kansas Board of Regents (KBOR) Systemwide General Education (SGE) Framework, students satisfying the requirements outlined in these seven bucket areas will be verified as completing the Kansas General Education Program. Completion will be notated on the student transcript and meet general education core course requirements for Associate in Arts (AA), Associate in Fine Arts (AFA), Associate in Science (AS), and Baccalaureate degrees from community colleges and public universities in Kansas.
