**Enroll NOW to begin in August!**

***GED + Credential AO-K Programs***

**Accelerating Opportunity: Kansas (AO-K)** provides an opportunity for adults to gain new skills for a good job. With education and credentials beyond high school, students have better options in today's economy.

**AO-K: The Right Fit for You**  
AO-K serves adults with families, those who are still learning English, and people who haven't been in school in years. If you didn't finish high school or complete your GED, you can find a path to success in today's workplace.

### Student Support and Tuition Opportunities

**House Bill 2506** –tuition for qualifying students attending GED classes and an AO-K Technical Education course.

**TANF Scholarship** - tuition for qualifying students approved by Department of Children and Families through the Temporary Assistance for Needy Families –Work Program.

**Workforce Services** – services based on individual situations and student goals!
